myPRO

Smart Professional Heat Pump Dryer

Especially designed for small businesses.

The machine with a Professional heart boasting benefits from the professional design

Benefits and features

- ▶ **Superb capacity and performance:**
 - Process all laundry in one go thanks to generous 8 kg capacity
 - Heat pump technology provides A++ energy efficiency
 - Low operating costs
- ▶ **Outstanding flexibility and garment care:**
 - Meet every need with 16 programs (eco, automatic, time-based and airing programs)
 - Prevent over-drying of garments and save time and energy with professional Residual Moisture Control technology
 - Greater peace of mind: optional direct connection from condensed water tank to drain for instant discharge
 - Extra long lifetime due to more durable machine construction with professional components
 - Less vibration and noise: below 66 dB (A), condenser and panelling
 - No chemical corrosion: stainless steel front and top

Accessories

- ▶ Pedestal
- ▶ Stacking kit
