

# Hibachi MH 150

## FEATURES

The Mibrasa Hibachi is a high quality, portable mini charcoal grill, created for use in restaurants on a professional level as well as for personal use for cooking at home with friends and family in all environments.

It has an elegant and operational design, made with steel of the highest resilience by the same hands which make the Mibrasa charcoal ovens. Ideal for all types of products: meats, fish and vegetables. The imagination and creativity of the chef with the Mibrasa Hibachi know no limits!
