

VACUUM CHAMBER PACKING

Evox 31 Hi-Line

The vacuum packaging machines of the Evox Line totally innovate the concept of vacuum, combining the best of technology, innovation and simplicity of use.

From the union between Made in Italy design and technological innovation comes Evox 31 Hi-line.

Compact, very fast and essential, Evox 31 Hi Line presents an elegant touch panel and 5 exclusive "Chef" cycles for marinating, creating infusions and much more in a short time and automatically, without the need for supervision. Robust, reliable and built with high quality materials, it contains all the experience and tradition of the brand Orved.
